**RE: Bond Release for Gypsum Resource Development Inc., White Cap Mine;
T. 19 S., R. 10 E., Section 23**

Dear Mr. Western:

The Bureau of Land Management (BLM) inspected the reclamation efforts of the White Cap #8 gypsum mine (UTU-68019) on June 11, 2013. A current bond of \$3,000 is being held for re-vegetation and seeding. The BLM is satisfied with the reclamation efforts and recommends the remainder of the bond to be released. If you have any questions or comments please contact Greg Gochnour at (435) 636-3639.

Sincerely,

Patricia A. Clabaugh
